

## Nursery learning at home - Week 5

I hope you're enjoying these activities.

It's been lovely to see your learning in emails.

### Reading - Read, read, read!

Think about your favourite story

Can you name the characters in it?

Where does the story take place (setting)?

Have a chat with your family about it.

Keep moving! - 5 little ducks – use your fingers to help with counting

<https://www.youtube.com/watch?v=pZw9veQ76fo>

Whole school Competition reminder...Entries to be in by 22<sup>nd</sup> May.

When we can go out again, where will you go first? Think of everything you've missed doing.

Make a picture (add labels) to show. You could win a prize! Good luck!

### Grand old duke – sing and perform as we do at school

Oh the Grand old Duke of York, he had 10,000 men:

(he marched them up/they waved their flags/they rode their horses/ they played their horns) to the top of the hill and they played them down again.

When they were up, they were up, when they were down they were down. When they were only halfway up they were neither up nor down!

### On your walk/in your garden...

Look out for 2d shapes:

How many things can you find that are: square, rectangle and circle shaped?

### Colour investigation

You will need: a packet of skittles, a plate and warm water.

Make a pattern with your skittles on the plate. Pour the warm water to cover the plate. Wait and see what happens...

Send a photograph please
