

20.04.2020

Hello Nursery,

I hope you're all keeping well, keeping safe and managing to get your daily exercise. I've been going for a walk each day as it's important to keep moving and get fresh air. I'm lucky to live close to a pond and have seen a swan nesting and a Mammy duck with her ducklings!

Carry on being good, keep washing your hands and have some fun with your learning activities.

I'll look forward to seeing them.

I'm missing you all and hope to see you soon,

From Miss Curtis
