Hi, Year 2!

Thank you for sharing your work with me. You have been very busy! It was lovely talking to you all and hearing about all the fun things you have been doing and how helpful you are being!
Well done! **You are all stars!**

Can you tie your shoe laces? Ask someone to show you. Here is one way of doing it:

Remember question marks? Look here:

Now, write 3 (or more) questions to ask your family about when they were at school. Best handwriting!

Send your classmates an email! Say hello and tell them what you've been up to! Remind them to stay safe! Send them to me and I will pass them on!

Greetings, young Jedi! This week it is Star Wars Yoga. See if someone in your house will join in! May the force be with you!

Put each word into a sentence. More suffixes! Can you find or think of any more?

Show me!

Can you still remember the properties of 2D and 3D shapes? Look here for some videos and games to test your memory...

Now, go on a shape hunt!

Collect some 2D and 3D shapes in your house. How many: sides, vertices, edges, faces, lines of symmetry do they have?

Send me a photo!

Which books or comics have you enjoyed? Tell me about your favourite one. Why do you like it? What is your favourite part?
