

**Phonics**— Have a go at reading these questions. Can you underline the digraphs you can see? Answer them with yes or no.

**Could you carry an elephant on your head?**

**Have you ever seen a live crocodile?**

**Could you fly to mars on a bike?**

Challenge: Can you make your own yes/no questions? Try to use the phase 5 sounds in your sentences.

**Spelling**—

Practice spelling these tricky words. Could you paint them or be creative when you practise them?

**out, what, called, asked, could.**

Follow the link to the tricky words song we use in school: <https://www.youtube.com/watch?v=R087lYrPgY>

**P.E**—

Play catch outside with a ball, rolled up sock or ball of paper. How many catches can you do in 30 seconds? Ask someone else to play and see how many throws and catches you can do. Can you do more than 15?

Year 1 Weekly Home Learning

11.05.20-15.05.20

It is fantastic the amount of work I am being sent. Please continue to do so by emailing it to [Year1@overfieldsprimary.org.uk](mailto:Year1@overfieldsprimary.org.uk).

**Home Help**—

This week help your family in the house. You could tidy your bedroom, help with the cleaning or even do some gardening.

**Why not try?**

Help to prepare and make a traditional meal from a different country. Take a photograph to show me what you make!

**Writing Competition!**

Its competition time...

Have a look on the website and on our twitter for the writing challenge we have about what you would do on your first day after lockdown. Draw a picture too to show what you'll be doing. I can't wait to read your creative ideas!

**Reading**— This week, if possible, would like you to make a reading den with your family. Then spend time reading inside. Choose your favourite books to share. I can't wait to see them!

**Writing**—

It would be great for us to share what makes us happy. Make a list of the things that make you happy. Try to use some adjectives if you can.

**Maths**—

This week I would like you to practise odd and even numbers.

Watch this video and have a go at the activity below it.

<https://www.bbc.co.uk/bitesize/topics/zknsngk7/articles/zt4jj6f#zctyycw>

Then have a go at this game.

<https://www.topmarks.co.uk/learning-to-count/coconut-odd-or-even>

*Do you spot a pattern with odd and even numbers down the road you live on?*

**Art/Craft**— Use an old sock to make a puppet. What character will it be? Can you perform a puppet show for your family?
