

Hello!

I am missing you all so much and can't wait to see you to find out what you have all been doing.

I hope you have enjoyed all the home learning activities I have sent you. Mrs Watson has also been sending me some home learning too! I've been very busy but would much rather be at school spending time with you! Although I have enjoyed getting resources ready for when we are back at school.

When I've not been working, I've kept myself busy gardening, reading and taking my dog for lots of lovely walks. I am really lucky that I live close to the countryside. Sky has loved exploring and finding new walks, especially if there is water for her to swim in! She loves getting wet and muddy! She is very good at finding muddy puddles

Remember to keep doing your home learning as well as spending lots of time playing and having fun with your family. Don't forget to e-mail me all your wonderful work. I can't wait to see what you have been doing.

Finally remember to be good, stay home and stay safe. Make sure you keep washing your hands.

Hopefully I will see you all really soon

Take Care

Mrs Wilson
