

Nursery learning at home Week 2

I hope you enjoy doing these tasks with your family. I'll be excited to see some more of your learning in an email. ropnursery@overfieldsprimary.org.uk

Get creative
Can you draw a plate and put your favourite healthy meal on it?

Reading

Think of all our book of the week stories. What is your favourite story?
Can you share it with your family?
Keep on enjoying books everyday!

Keep moving!

Let's go to the zoo and dance like the animals do!

Nursery rhymes

Rhymes about water.

Lots of rhymes have water in them. Can you sing them all?

Rain, rain go away...

Jack and Jill

Incey Wincey

Can you think of any more?

On your walk/in your garden...

Can you find something for every colour of the rainbow? Turn it into a picture.

Colours

Yellow is another lovely spring colour. Can you name or find 5 things that are **yellow**?

Make a shaker

You could use a sock or a plastic bottle. Fill it with a noise maker eg rice, peas, lentils, coins.

Now keep the beat going to a song.
