

Sentence Structure—Start a simple diary about what you have been doing each day using time conjunctions

'Yesterday, Last night and An hour ago'. This is something you can add to each day and will be great to look back at in the future.

Key Stage 2 Language Unit Weekly Home Learning

20.04.20-24.04.20

Here are some activities to work through this week. Please send some of your work and photos of what you have been doing to ks2slu@overfieldsprimary.org.uk

You are the gold
at the end of the rainbow!

Spelling—In your home learning pack you have a list of spellings and key words. Choose ten to learn this week using 'look, cover, write and check'.

Try writing each word in lots of rainbow colours then put these words into sentences. Try to include adjectives.

P.E—Daily exercise is really important, choose your favourite song and make up a dance routine to it. Then teach it to your family, get everyone dancing!

Art/Craft—Can you make a 3-D shape mobile? Use empty food packaging to make the shapes. Include a cube, cuboid, triangular prism and a square based pyramid

Make it as colourful as you can.

Reading—enjoy books every day! Use websites and YouTube to listen to stories too! Choose one of your favourite stories and write a book review. You need to include:

What the story is about, where the story is set and list the characters. You can add pictures to show the front cover, your favourite character or part of the story.

Writing—At the end of a rainbow there is believed to be a pot of gold. Gold is something special and precious. Think of all the things that you have that are special to you, these might be things like your family, friends, pets, holidays, your first pair of shoes etc.

Write sentences to describe what would be in your pot of gold. Tell me why each item is precious to you using the conjunction 'because'.

Remember there are lots of fun online activities to try these are just a few great sites:

Oxford Owl <https://www.oxfordowl.co.uk/for-home/>

BBC Bitesize <https://www.bbc.co.uk/bitesize/primary>

Top Marks Maths <https://www.topmarks.co.uk/>

Have fun at home learning together!

Maths—Keep learning your multiplication tables in your purple book. Remember to count in multiples forwards and backwards then break it down to learn 6 at a time. You need to be able to know all of x tables!

Explore symmetry on <https://www.topmarks.co.uk/symmetry/symmetry-matching> Challenge yourself to complete the symmetrical patterns. Using your 3D shapes you made for your mobile list the properties of each—number of faces, edges and vertices.
