

Phonics —

Look around and see if you can find words with **air** e.g. **Pair** Can you put the word into a sentence I found a **pair** of socks.

Can you make up some alien words with this sound. Try them on someone in your house.

E.g. **mair skair**

Spelling—

Practice spelling these tricky words. You could play a game with an adult to try to remember them or write them using different colours.

Were, there, where, little, one, they,

P.E—

Play catch outside with a ball, rolled up sock or a ball of paper. Give yourself 2 points for each catch you do in a minute. Ask someone else to play and write down their scores. Play again for 5 points then 10. Tell us who wins!

Art/Craft— Make a paper roll animal

Speech and Language Unit

Weekly Home Learning-
27.04.20

Here are some activities to work through this week. Please send some of your work and photos of what you have been doing to ks1slu@overfieldsprimary.org.uk for us to look at!

Don't forget! There are lots of daily activities to join in with. See our website for some ideas but why not try these too!

Science ideas—<https://drchips.weebly.com>

Phonics Play— <https://www.phonicsplay.co.uk/ParentsMenu.htm>

Maths - <https://home.oxfordowl.co.uk/kids-activities/fun-maths-games-and-activities/>

Reading—enjoy books every day!

Listen to Daisy and the Trouble With Life in BBC Bitesize and then complete the activities.

www.bbc.co.uk/bitesize/articles/zrtjqp3

Writing —

Can you write some instructions to plant a seed.? What equipment do you need? What do you do first?

Can you draw and label a plant or flower e.g. stem, leaf, petal and root?

Children can have a go at spelling their own labels.

Maths—

Use BBC Bitesize to learn about place value

<https://www.bbc.co.uk/bitesize/topics/zsjqtfr/articles/z9w3g82>

If you put 3 beads on an abacus you could make 3, 30, 12 or 21. What could you make with 6 beads?

Have a go. Get 6 items, could be anything, buttons, Potatoes or even sweets!
