

Phonics—Practise blending phonemes by visiting <https://www.phonicsplay.co.uk> select 'Free phonics play' then 'Phase 3'

choose 'Buried Treasure' then select 'Revise all Phase 3'. There are lots of other free games you can try.

Spelling—Choose five new spellings to learn this week from your pack using 'look, cover, write and check'. Put these words into simple sentences. Try writing these sentences in the shape of a rainbow.

P.E—Continue dancing to your favourite songs and if you haven't already, join in with Joe Wicks and his daily workout - 'PE with Joe' on YouTube.

Art/Craft—Use old newspapers/envelopes/paper. Rip into small pieces and soak in water for a few hours. Keep stirring, it needs to turn into a pulp. Squeeze out some of the water then shape into something new, a bowl, placemat, bookmark or rainbow are just a few ideas. Leave to dry and paint.

Key Stage 2 Language Unit Weekly Home Learning

27.04.20-01.05.20

Here are some extra activities to work through to support last weeks learning. Please send some of your work and photos of what you have been doing to ks2slu@overfieldsprimary.org.uk

Remember there are lots of fun online activities:

Oxford Owl <https://www.oxfordowl.co.uk/for-home/>

BBC Bitesize <https://www.bbc.co.uk/bitesize/primary>

Have fun at home learning together!

Reading—Continue to enjoy books every day! Use websites and YouTube to listen to stories too! Visit the school website where you will find stories read by some of the teachers www.overfieldsprimary.org.uk

Writing—On the school website there are copies of letters sent from the teachers to their class. It would be great if you could write me a letter and then email it me. Remember to 'Think, Speak, Write and then Check' each sentence. I can't wait to read your letter!

Maths—Keep learning your multiplication tables in your purple book. Start counting in multiples forwards and backwards then break it down to learn 6 at a time. You need to be able to know your 10x, 5x and 2x tables. If you have completed last weeks maths tasks try some online multiplication and division games on Top Marks Maths <https://www.topmarks.co.uk/>. Choose the category 'Multiplication and Division' and for each game select the multiplication table you are learning.
