

**Sentence Structure**—Continue to add to your diary about what you have been doing each day using time conjunctions ‘Yesterday, Then, Next, After that and Finally’.

**Spelling**—Choose ten more spelling to learn this week using ‘look, cover, write and check’. Put these words into sentences, each sentence needs to include 2 adjectives separated with a comma. Try writing these sentences in the shape of a rainbow.

**P.E**—Continue dancing to your favourite songs and if you haven’t already, join in with Joe Wicks and his daily workout - ‘PE with Joe’ on YouTube.

**Art/Craft**—Use old newspapers/envelopes/paper. Rip into small pieces and soak in water for a few hours. Keep stirring, it needs to turn into a pulp. Squeeze out some of the water then shape into something new, a bowl, placemat, bookmark or rainbow are just a few ideas. Leave to dry and paint.

Key Stage 2 Language Unit Weekly Home Learning

27.04.20-01.05.20

Here are some extra activities to work through to support last weeks learning. Please send some of your work and photos of what you have been doing to [ks2slu@overfieldsprimary.org.uk](mailto:ks2slu@overfieldsprimary.org.uk)

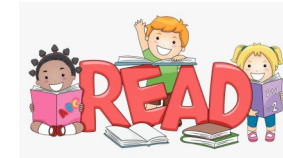

Remember there are lots of fun online activities to try these are just a few great sites:

Oxford Owl <https://www.oxfordowl.co.uk/for-home/>

BBC Bitesize <https://www.bbc.co.uk/bitesize/primary>

**Reading**—Continue to enjoy books every day! Use websites and YouTube to listen to stories too! Visit the school website where you will find stories read by some of the teachers [www.overfieldsprimary.org.uk](http://www.overfieldsprimary.org.uk)

**Writing**— On the school website there are copies of letters sent from the teachers to their class. It would be great if you could write me a letter and then email it me. It could be just a page from you ‘Sentence Structure’ diary task. Remember to ‘Think, Speak, Write and then Check’ each sentence. I can’t wait to read your letter!

**Maths**—Keep learning your multiplication tables in your purple book. Remember to count in multiples forwards and backwards then break it down to learn 6 at a time. You need to be able to know all of x tables! If you have completed last weeks maths tasks try some online multiplication and division games on Top Marks Maths <https://www.topmarks.co.uk/>. Choose the category ‘Multiplication and Division’ and for each game select the multiplication table you are learning.
