

Phonics—Collect words that include these graphemes.

ee, ea, ey, e-e, ie, y Can you make sentences using the words you find? Challenge: Try to use a conjunction (and, because)

For example:

money. My sister keeps her money in a purse.

field. We like to play on the field.

Spelling—

Practice spelling these tricky words. Why not try to sing them or write them in the air.

where, there, little, one, when

P.E—

Can you make up an exercise routine that includes:

Star jumps, running on the spot, high knees, stretches and side steps. Can you add your own moves?

Art/Craft—

There are lots of lovely spring flowers around at the minute. Can you draw and colour some?

Year 1 Weekly Home Learning

27.04.20-01.05.20

I hope you enjoyed last week's activities.

Here are some more for you to work through this week. Please send some of your work and photos of what you have been doing to

Year1@overfieldsprimary.org.uk for me to look at!

Science and Music—

You have already done some learning on body parts. Go over these again to remind yourself.

Can you sing the songs 'Hokey Cokey', 'heads, shoulders, knees and toes' and 'If you're happy and you know it'.

Try to change parts of the songs if you can!

YOU
GOT
THIS

Reading—enjoy books every day! Try to find some 'Nick Butterworth' books to listen to this week.

Sign up to Oxford Owl for free 'e books'

Oxford Owl - <https://www.oxfordowl.co.uk/for-home/>

Writing—

I would love for you to write a letter to me to tell me what you have been doing whilst we have been off.

Remember:

Capital letters

Full stops

Finger spaces

Listen for sounds when spelling

Maths—

Practise counting in 2's, 5's and 10's. Can you go forwards and backwards? (*only go up to 12 lots of*) Do you have to start at 0 every time? What is happening to the numbers? *Use pairs of items to help with 2's and your hands to help with 5's and 10's.*

Use this resource to help (*select count on from 0 and count back to 0*) <https://www.topmarks.co.uk/Flash.aspx?f=countingstickv4>
