

Hello Reception!

Here is your home learning for this week. Don't forget to email me all your wonderful work!

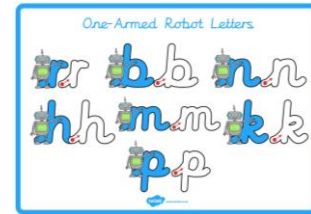

Reading

Ask your Mum/Dad/Nana or Grandad to write the phase 2 and 3 action words on to pieces of paper. They can then hide them in the garden or around the house for you to find. Will you be able to find them and read them all? You could send me a video of you doing this task

Read one of your favourite stories together. Can you draw/make the main character from your story?

Handwriting

This week I would like you to practise the robot arm letters. Remember to start on the 'r' and don't move on to the next letter until you are forming the previous one correctly

You could use a paintbrush and water or write them on the ground using chalk

Writing

Can you practise spelling the tricky words - no, go, said

Here is another game from **phonics play**. Start on phase 2 and then try phase 3. You will need the phoneme mats from your home learning pack to help you.

Maths

Draw a circle on the floor or use a hoop or whatever you can find. Then have a go at throwing bean bags or rolled up socks into the hoop. Record how many you can get in. Have another go and see if you get more this time than last time. Ask your family to have a go. Who will get the most/least in?

Good Luck!

Phonics

Remember to practise your phonemes every day using the jolly songs on YouTube

<https://www.youtube.com/watch?v=U2HYM9VXz9k>

Challenge

Can you think of things which have the 'ai' and 'igh' phoneme? Draw and label what you come up with.

Mr Johns has been busy building us a bug hotel. If you haven't seen it yet there is a lovely photo of it on the school twitter page. Why not have a go at making your own bug hotel at home!
