

Hello again Year 1,

I hope you and your families are okay and staying safe. It has been great speaking to some of you on the phone to see how you're getting on. I am also so pleased with all the work you are sending to me. You

are working very hard and doing some fantastic

activities. I am okay and still going for walks and runs in the sunshine. I am about to start a new jigsaw. They are quite tricky but I don't give up!

I have been clapping every Thursday for our amazing NHS and key workers. I am missing being at school but for now we need to stay safe at home. Please continue to be good and hopefully we will be back together soon.

Stay safe,

Miss Theaker

Hi Year 1,

I hope you're all staying safe and looking after each other. I have been going for long walks with my dog Bella and doing lots of jobs around the house. I have also been enjoying some baking. I have baked caramel slices and fairy cakes. I am helping my children with their school work too and I hope you're enjoying yours. Missing you all and I hope to see you all soon.

Stay safe,

Mrs Morrison
