

## Year 3 – Learning Document – WB 11th May

### Maths

I have attached some work on the **3x tables and dividing by 3** this week. Please listen to it with an adult. Then have a go at some of the questions. Record your work in your green books. You don't need to print off any work sheets. **Look at -** <https://www.bbc.co.uk/bitesize/articles/zbkvbdm>

#### **Extension!**

### English – Please Mrs Butler - Allan Ahlberg

This week, I have found some funny poems to read and talk about. Look at them with an adult and have a go at the activities. Oti Mabuse reads them to you.

### Science

Can you find out how seeds grow in different conditions? You could just try a couple of them. You could also describe what happens or draw a diagram to show the results.

**You will have to wait for your results! Let me know what happens!**

**Art** You've been learning about flowers and vegetables in science. This week, have a go at making a **collage of flowers and vegetables**. You could just colour in a background with coloured pencils and then use whatever you have at home to make everything else. Here's an example!
