

Hi,

Hope you are all safe and well and have been good for your family. I have been keeping very busy doing lots and lots of school work. I have just finished my reports and can't wait for your family to read them, I know you will make them proud just like you make all the staff at Overfields feel every day!

Each day we take Poppy for a walk and then go to visit my mam and dad to wave, blow kisses and talk through the window. Poppy finds it really strange that she can't go inside so instead she leaves smudges on the window! She has also been enjoying the sunshine.

We also take Truffles, Betsy's rabbit for a walk around the garden, she enjoys the sunshine too!

I managed to get some flour! I Think I will have a go at baking again lol I hope you have been keeping busy, I would really like to hear about the things you have been doing, remember you can email me and the Language Unit staff anytime. Keep safe, keep being good and keep being you!

Take Care,

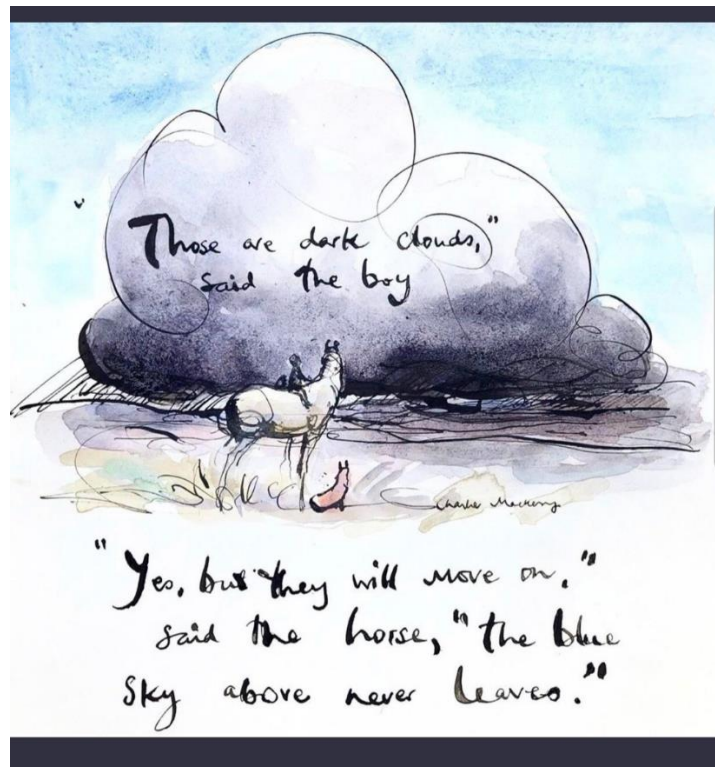

Love Miss Gowland x

Hello Everyone,

How are you all? Fit and well I hope.

Can you believe it's the month of May? Take a look out the window or go for a walk and see all the glorious things this month brings. Can you see the sunshine and feel how warm it's becoming? Can you hear all the different birds chirruping away to each other? Can you see new plants growing or see the dandelions and daisies in the grass that will bring out the bees and butterflies soon? I can see and hear those things and its quite wonderful. So even if we are not together in the classroom we can still all be together when we look out of the window and know we are all seeing and hearing the same things. Is there anything different that you can hear or see that we may be able to see also so we can all be with you too? Maybe you could let us know, it would be so great to be together although we are apart.

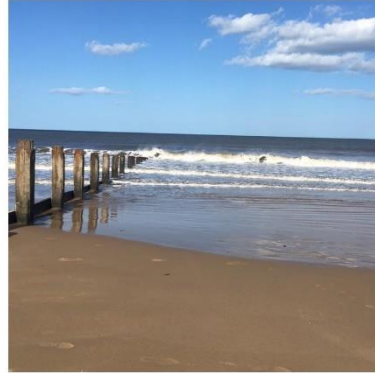

It is important for you to keep doing all the things you have been doing to keep well. I miss you all and want you to remember there is always a blue sky above the dark clouds which never leaves.

Best wishes
Mrs DeSantis.

Dear children,

Hello, hope you are all keeping safe and being good for your parents but most of all keeping busy and having fun. I have been busy cleaning, decorating, baking lots of cakes and have been on lots of lovely walks with my dog Max and Emily.

Hope to see you all soon,
Love Mrs Thomas x
