

Phonics—

Play the games on Phonics Play.

Focus on phase 3 and 5. Also look at the tricky words games. Remember some words may be 'alien' and just made up. Don't let them trick you!

<https://www.phonicsplay.co.uk/#>

Could you make some of your own alien words?

Spelling—

Practice spelling these tricky words. Get an adult to test you to see how many you get correct. Have a few practises first. Make sure you know what they all mean too.

their, people, Mr, Mrs, looked.

P.E—

Have a go at some yoga by following the link. Find a nice quiet space and relax!

Year 1 Weekly Home Learning

04.05.20-08.05.20

It is great to see the work you are sending in each week. Please continue to send it to Year1@overfieldsprimary.org.uk for me to look at!

Art/Craft—

This week on Friday it is VE day where people will commemorate the end of WW2. Why not make some bunting or pictures using red, white and blue?

Music—

Can you design and make your own musical instrument? Get creative!

Reading and Science—

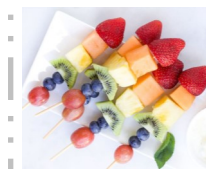

Continue to read stories everyday with your family. Try to find some Non-Fiction books all about plants to read this week.

Can you label the parts of a plant? Have you got any plants in your garden? How do you look after them?

Writing—

I am thinking of making some fruit kebabs this week. It would be great if you could write me a set of instructions to follow for the best way to make them. It would really help me. Make some suggestions about what fruits I should try too.

Maths—

Use the link below to help with learning about money. Ask an adult if they have any money you can look at.

<https://www.topmarks.co.uk/money/coins-game>

Challenge:

**Can you make different amounts by adding the coins?
How many ways can you make 50p? £1?**
