

Phonics—

Go onto Phonics Play and have a go at the flash card games.

Can you work out what words these letters make below? Clue: They all have the 'ea' digraph in.

fael neba nate kpeas reathce

Send me one to have a go at with a different digraph!

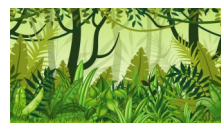

Year 1 Weekly Home Learning

18.05.20-22.05.20

Please continue sending your brilliant work to Year1@overfieldsprimary.org.uk.

Music—

Click on the links below and join in with the songs.

Can you do some of the signing too?

<https://www.youtube.com/watch?v=gExFftwIHn8>

<https://www.youtube.com/watch?v=R1122frJuHk>

P.E—

I would like you to practise balancing this week. What part of your body can you balance on? How long can you balance for? Can you make a routine going from one balance to another?

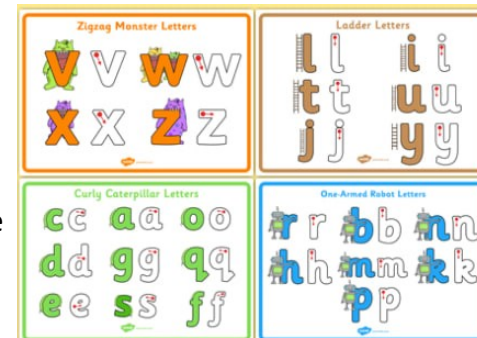

Reading—

Please go onto our website and listen to the stories that some of our teachers have read for you. Let me know which stories you enjoyed listening to!

Handwriting—

Practise your handwriting this week. Paint them, air write them, write them in flour/sand. Be creative!

Maths—

Collect some items from around your house. Feel them and order them from the lightest to the heaviest.

Then try to sort them from longest to shortest.

Are they in the same order each time? Is the heaviest object the longest?

What did you use to help you work out what order to put them in?

Art/Craft—

Can you make a paper roll animal? I wonder which animal you choose!

Writing Competition!

Don't forget to join in with our competition!

Have a look on the website and on our twitter for the writing challenge we have about what you would do on your first day after lockdown.

Draw a picture too to show what you'll be doing. I can't wait to read your creative ideas. Email them to me!

Spelling—

Practice spelling these tricky words everyday. Can you put them into sentences?

were, do, so, oh, love
