

Hello!

Where has all the lovely sunshine gone! I hope you are still managing to get outside to get some fresh air despite the change in weather. Sky has still enjoyed going for her walks, even in the rain! We got very wet the other day but we didn't mind because the sunshine soon followed and we saw a beautiful rainbow!

We are really lucky that we live close to the seaside and the countryside so we are spoilt for lovely walks. One of our favourite walks is to visit the allotment to see some of Sky's friends.

We met their owner the other night who told me that the pigs are called 'chickapee' (pig at the front) and 'chickadee' (the one at the back). They love it when we take them food to eat. They will eat anything, just like my dog Sky! She has become very greedy since I've been working from home! When we are in the garden, she has started barking at the back wall for my neighbour to come out and give her a treat. Isn't that naughty!

I hope you liked the pictures of the classroom that I sent you last week. I'm now busy making lots of lovely things to go in the areas ready for when we are back at school.

Remember to keep trying your best when completing your home learning. You are all making me so proud! I have loved hearing from lots of you this week and seeing what you have been doing. It really cheers me up and makes me smile. If you haven't yet sent me an email please do, as it would be lovely to see what you have been doing too.

Keep staying safe and I'll see you all very soon

Love

Mrs Wilson
