

Hello!

I hope you enjoyed celebrating VE day on Friday. Some of our neighbours had old wartime music playing which we enjoyed listening to while we were busy painting a fence. Sky loved 'helping' and now has a lovely brown bit on her white tail!

Thank you for the lovely emails I have had this week. Please keep them coming as I love to hear what you have been doing!

My letter is very short today as there are two other people who would like to say hello. So, keep staying safe and I'll hopefully see you all very soon.

Mrs Wilson

Hi Everyone

I hope you've all been enjoying the lovely sunshine and spending time with your family. I've been spending lots of time at home with Olivia and our tortoises Sharon and Sheldon! I'm not allowed to spend time outside at the minute but I have been enjoying the nice weather through my window and chatting to my family and friends on facetime and on the telephone. Poor Olivia has to go to the shops when we need things but I think she enjoys the five minutes peace.

We've had two birthdays in my house while we have been off school, Olivia was a big 21 and we had lots of treats for both! We've also watched lots of movies and changed around rooms in the house, as well as making some gifts for our family who live in Jersey. On a Thursday night we see all our neighbours and have a chat with them whilst we clap for all the NHS and key worker staff - I'm sure many of you are doing that too!

I can't wait to see you all when we go back to school as I'm missing you all lots. I feel like I haven't seen you all in a long time! It has been lovely to see all your home learning on Twitter, some of the things you have been doing is fantastic. Keep yourself busy and send all the lovely things you are doing to Mrs Wilson so that we can see what fun you are having. Wash your hands, be good and stay safe.

See you soon
Miss Caveney
