

Key Stage 2 Language Unit Weekly Home  
Learning 01.06.20-05.06.20

Here are the activities for this week.  
Please continue to send your work and  
photos to:

[ks2slu@overfieldsprimary.org.uk](mailto:ks2slu@overfieldsprimary.org.uk)

**Sentence Structure**— Listen to the noise the trees make in the wind. Imagine the trees are talking to each other? What would the trees be saying? Draw a picture of a tree. Add all the nice messages the tree may say to the other plants and animals to make them feel happy. Remember your full stops and capital letters.

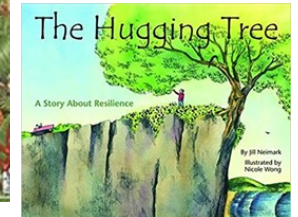

**Spelling**— I would like you to work through your purple spelling book and revise all of the spelling so far. Remember to also recap your key words, days of the week and numbers to 10 in words.

**P.E**— Visit [YouTube Guided Meditation For Children Your Secret Treehouse](#). This is a wonderful relaxation and meditation exercise.

**Reading**— There are lots of great nonfiction and fiction books about trees, here are just a few to try:

Visit [YouTube](#) to hear and read these stories and many more.

**Writing**— Pick a any tree that you can see. Give the tree a name. What animals can it see? How does it feels in bad or good weather? Does your tree have any friends? Who is it waving to in the wind? Try to answer in full sentences.

**Art/Craft**—Make a tree! There are so many fantastic tree craft ideas to try.

**Maths**—Keep learning your multiplication tables. This week I would like to practise co-ordinates. You need to make a grid like this one. I would like you to draw trees in A6, G9, K3, M9 and C8. What else can you draw on your map?
