**Spelling**—I would like you to learn how to write and spell your address, remember capital letters for names of places.

**P.E**—Try 'Cosmic Kids' Yoga and Mindfulness for Kids there are lots of fantastic sessions to join in with <https://www.youtube.com/watch?v=0ImHIWzP49M>

This week's making task is to make your family even happier. Each day I want you to do a job that will help someone in your family. You could tidy your bedroom, clean the bathroom, help with the washing, tidy a cupboard, sweep the leaves in the garden. There are so many things that you can do to help! You can send me before and after photographs of the jobs you do to help.

Have fun at home learning together!

**Reading**—Continue to enjoy books every day! Use websites and YouTube to listen to stories. Try watching, listening and reading about families. Complete the reading comprehension activity attached about 'Jack's Family'. Why not have a go at making your own family tree.

**Writing**—I always tell you lots of stories about my family especially my nana and sister. This week it's your turn, I would like you to choose a member of your family to write about. Who are they? When were they born? What things do they like/don't like? What is their favourite colour, food, places to visit and things they like to do? Do they have a special talent? What do they look like? Most importantly why do you love them and why are they special to you? You might want to include a photograph of them. I can't wait to find out about someone special in your family.

**Maths**—This week we would like you to practise odd and even numbers. Watch this video and have a go at the activity below it. <https://www.bbc.co.uk/bitesize/topics/zknsqk7/articles/zt4jj6f#zctyycw> Then have a go at this game. <https://www.topmarks.co.uk/learning-to-count/coconut-odd-or-even> Do you spot a pattern with odd and even numbers down the road you live on? Try the learning task attached below to practise recognising odd and even numbers.
