This week's making task is to make your family even happier. Each day I want you to do a job that will help someone in your family. You could tidy your bedroom, clean the bathroom, help with the washing, tidy a cupboard, sweep the leaves in the garden. There are so many things that you can do to help! You can send me before and after photographs of the jobs you do to help.

Writing—I always tell you lots of stories about my family especially my nana and sister. This week it's your turn, I would like you to write about your family. Use the attached 'Writing Task' sheet to help structure your ideas. Try using commas to add extra information, change the order of the words in your sentences to make them more interesting and remember those adjectives. I can't wait to read your work.

Maths—This week we would like you to practise rounding numbers to the nearest 10, 100 and 100.
