**Hi, Year 2!**

I saw some amazing clouds last week and they reminded me of cloud gazing. Have you ever tried it? It's easy! All you need is some blue sky, clouds and maybe a rug to lie on. Then you lie down, relax and watch. Sometimes, you might see a rabbit or a face or a castle. What can you see? Maybe you could make up a story about it.

**Let me know!**

This week we are going to practise our spellings with some games. Then we will be thinking of silly question sentences to ask our families with the help of the Small Town Superheroes!

Remember to send me a picture of your work!
