

# Hello Reception!

Here is your home learning for this week. Don't forget to email me all your wonderful work!  
reception@overfieldsprimary.org.uk

Can you match the capital letter to its lowercase letter?

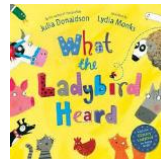

B  
R K  
H  
P M  
N

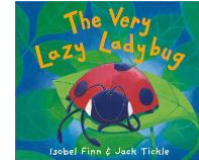

Now have a go at writing the capital letters

R B N H M K P

It's been lovely seeing the return of the sunshine! We have spent lots of time in the shade under the trees to keep us cool and we were really lucky to see some ladybirds. Here are some lovely stories about ladybirds

<https://www.youtube.com/watch?v=Adyr1MpwXSg>

Here are some ladybird craft activities to try at home

Egg Box Ladybird

Toilet Roll ladybird

Paint a Ladybird Stone

Have you missed our Friday afternoon treat?

This week Aunt Mabel and Pippin visit London zoo to see a giant snail.

<https://www.youtube.com/watch?v=sJVzdI1jhOo>

Would you find a giant snail in your garden? No, they come from a country called Africa. I wonder where Africa is? What is it like in Africa? What other animals might you see?

Snails leave a very slimy trail. If you find a snail in your garden hold it in your hand and see if it leaves a snail trail. Remember to wash your hands after!

Why not have a go at making your own slime. You will need:

Cornflour

Water

Food Colouring

Here is a video to show you how to make it:

<https://www.youtube.com/watch?v=zLeC9Ecjhbc>

Here is a simple baking idea to do with your grown up

Cheese Snails

I can't wait to see a photograph of your edible snails!

This week in school we will be looking at number doubling.

You will need to make a ladybird shape and something to use for the spots (buttons work well but you could use anything - cardboard circles would be good)

Start by putting 1 spot on each side. How many are there altogether - 2. Say double 1 is 2. Repeat the above with 2, 3, 4, 5 spots.

Once you've practised this several times ask what is double 2, 4, 1, 3, 5? They can use the ladybird and spots to help.

## PICNIC on PLUTO

Obb and Bob are brothers. They both love to eat but they like to eat different things. Bob loves to eat snacks with real words on them. Obb loves to eat snacks with fake words on them. Can you drag each snack to the right brother?

<https://www.phonicsplay.co.uk/resources/phase/3/picnic-on-pluto>

This week I would like you to practice the 'oi' phoneme. Draw pictures of all the real 'oi' words and have a go at writing them.

Choose an 'oi' word to write in a sentence. Don't forget a capital letter, finger spaces and a full stop.

Keep listening to the Jolly Phonic songs here
