

Xplore Summer Club '21

10th July 2021

Free Xplore 'Summer Club 21' activity places available for young people.

Dear Parent/Guardian,

With the school summer holidays fast approaching we wanted to tell you about a fantastic holiday club programme available locally.

Xplore 'Summer Club 21' is offering 1,000s of free places for children and young people currently eligible for free school meals.

It's a fantastic opportunity for primary and secondary school-aged children to make friends and enjoy fun activities. They'll develop new skills, participate in creative and physical activities, learn about food and cooking and enjoy free nutritious meals each day.

Children can access the equivalent of four weeks' worth of activities, throughout the summer holidays, including specific provisions available for children with SEND or additional needs, at no cost to you.

Places are funded by The Department for Education. They are provided as part of the government's expanded Holiday Activities and Food (HAF) programme, which is running across Middlesbrough and Redcar & Cleveland.

Xplore 'Summer Club 21' offers four hours of activities with a meal, four days per week over four weeks.

To find out if your child is eligible for a place this summer, what's available near you and details about booking a place, please visit thejunctionfoundation.com/xplore Alternatively, please call The Junction on **01642 756000**.

In addition to this programme, families eligible for Universal Credit may be able to claim back up to 85% of their childcare costs. Please visit [Help With Childcare Costs \(gov.uk\)](https://www.gov.uk/help-with-childcare-costs) to find out more.

We hope you and your family have a great summer with the Xplore 'Summer Club 21'.

Yours sincerely,

Beth Major
